

# THE 28TH BUDAPEST NEPHROLOGY SCHOOL

Nephrology, Hypertension, Dialysis, Transplantation, Nephropathology

## 26 - 30 AUGUST, 2024

Held at Semmelweis University with a highly distinguished international faculty, the Budapest Nephrology School is one of the most well-known refresher courses in the field of nephrology. It attracted many young physicians from Europe and around the world (68 countries) since 1993.

### Features:

- **Nephrology course with diverse topics, including:** electrolyte disorders, glomerular physiology and pathophysiology, transplantation, nephropathology, tubular diseases, chronic kidney disease, hypertension
- **Lectures from leading experts of nephrology:** László Rosivall, Friedrich C. Luft, Jens M. Titze, Norbert Pardi, Janos Peti-Peterdi, Georgina Gyarmati, Katalin Susztak, Kitty J. Jager, Péter Studinger, Josh Lipschutz, Albert Ong, Simin Goral, Ondrej Viklicky, Eva Honsova, Gábor Kökény, Attila Mócsai, András Tislér, Safak Mirioglu
- **“Meet the Professors”** – an informal meeting during which participants can discuss their experiences and observations with the faculty
- A poster session which aims to have the participants discuss and consult their own research with the faculty

### The registration fee includes:

- Attendance at the nephrology refresher CME course,
- Certificate of Attendance
- Refreshments, lunches
